### ※ Notes

- The programs/majors available for admission are subject to change, and the university reserves the right to limit the number of students admitted, depending on circumstances.
- Admission numbers for each program are determined via special selection, considering academic ability and other criteria.
- Transfer students will be automatically assigned to the major they applied for upon admission.
- Some programs may require an additional review process.
- All transfer applicants must pay attention to and apply with the understanding that graduating within the standard study period may be difficult in the following cases:
  - 1) If the admitted major is different from the previous university major.
  - 2) If transfer credits are not fully recognized due to low similarity between the courses completed at the previous university and those required by the new major.
  - 3) If the student is required to complete additional mandatory courses based on the result of the transfer credit evaluation.

### 3 Application Requirements

#### » 3-1. Nationality and Education

© Nationality: Applicants whose parent(s) and the applicant all hold foreign nationality

- Ineligible for application: Individuals who, or whose parent(s), hold Korean nationality (including dual citizenship holders)

※ **Notes on Document Submission**

- 1) All documents must be submitted in original form, and submitted documents will not be returned under any circumstances.
- 2) All documents must be submitted by postal mail.
- 3) All documents must be submitted by the deadline stated in the admission guidelines, based on Korean Standard Time (KST).
- 4) All documents must be prepared in Korean or English. If they are in another language, a notarized Korean or English translation must be submitted.
- 5) The applicant is responsible for any disadvantages caused by incorrect or incomplete information on the application form or failure to respond to communications from the university.
- 6) Academic documents are only accepted if issued within six months from the start date of the application period.
- 7) Graduation and transcript documents issued by foreign schools **must be notarized with a Korean or English translation.**
- 8) All certificates issued by foreign institutions must be accompanied by an **Apostille Certificate** issued by the designated government authority of the school's country, or a **Consular Confirmation/Verification Certificate** issued by a Korean Embassy or Consulate in that country.
- 9) Applicants for transfer admission must submit supporting documents related to their previous university's graduation requirements, earned credits, semesters completed, and grading system.
- 10) Submission of original documents is required in principle. However, if submission of the originals within the application period is unavoidable, applicants may submit copies temporarily with prior approval from the Office of International Affairs and then submit the originals within the designated period.
- 11) Failure to submit the original documents within the designated period, or any discrepancy between submitted copies and originals, will result in revocation of admission.
- 12) Admission will be revoked if it is found that the applicant has been admitted through fraudulent means (e.g., forged documents, falsified qualifications, proxy testing) either before or after enrollment. In such cases, tuition and fees already paid will not be refunded.
- 13) Applicants expecting to graduate must submit final graduation and transcript certificates within the submission deadline set by the university.
- 14) Failure to submit the final graduation (or completion) documents by the deadline will result in revocation of admission.
- 15) If, due to a country's or institution's academic system, semester-by-semester or yearly transcripts cannot be issued, the Office of International Affairs may request additional documents or evidence.
- 16) Depending on the applicant's case, the Office of International Affairs may adjust the required documents or request additional materials, which must be submitted within the specified deadline.
- 17) Failure to submit required supporting documents on time, resulting in visa issuance delays, may lead to cancellation of admission.
- 18) Only language test scores valid during the application period will be accepted.
- 19) As all submitted documents are non-returnable, applicants are strongly advised to prepare extra copies of important documents in advance for future visa application purposes.

※ **Notes on Admission Registration and Enrollment**

- Applicants must personally check their admission results on the Office of International Affairs website. The university is not responsible for any disadvantages caused by failure to check the announcement.
- The tuition table applies to the 2026 academic year and is subject to change depending on the chosen major upon advancement to the second year.
- For transfer students, tuition fees may vary depending on the department of admission.
- Final successful applicants must pay the tuition fee within the designated payment period.
- Failure to do so will result in cancellation of admission. If tuition is not paid by the payment deadline, the applicant will be regarded as having withdrawn from admission.
- For payments remitted from overseas, the tuition fee must arrive at the university by the payment deadline; otherwise, the applicant will be considered unregistered.
- If an applicant withdraws after paying tuition, a refund will be made in accordance with the university's tuition refund policy.
- If any submitted documents are found to be falsified or if admission was obtained through dishonest means, the admission will be revoked even after enrollment, and no tuition refund will be granted.
